# A Warm Welcome from the St Mary's Care Team

We realise that your decision to move into a care environment may have been a soul searching and challenging time for you.

We also know that it can be a big step towards a happy and fulfilling later life. Our promise to you is that we will do all we can to make the move as comfortable and as welcoming as possible. We are here to meet your expectations and needs and we want you to feel at home.

Our commitment to you is that we will ensure our care is centred on you and your specific personal needs. We will respect your right to independence and privacy. We will listen, encourage and support you to participate in all decisions affecting your care. We will support you if you want to make a comment or complaint. We will always promote the importance of your involvement in your own plan of care because we fully understand that your views matter. We will respect your choices and help and support you to access the right services to meet your medical, physical and emotional health care needs.

Our priority is to provide you with a safe and comfortable home, with individual care that demonstrates courtesy, respect and kindness at all times.
